December 2016

## *As December comes to a close*

We continue to enjoy the Music of the Season!

I hope that the music programs, concerts, recitals, and other special events have led to a most enjoyable season of exceptional music. I hope

that you enjoyed sharing music that celebrated your faith, and brought family and friends together in grateful and wondrous joy.

*I heard the bells on Christmas day,  
their old familiar carols play, and mild  
and sweet the words repeat, of  
peace on earth, good will to all.*

*Henry Wadsworth Longfellow*
