NEWS OF NOTE

FEBRUARY 2017

## Federation Festivals

2018

The Federation Festivals in Wisconsin have begun. The WFMC continues to be in the top 15 states as far as student participation and entries. I thank all of you for the diligent, dedicated, and the professional

manner in which you conduct Festivals. Our students are so fortunate to have a group of leaders helping them achieve their musical goals. Thank you to all the volunteers who make these events possible.

## HAPPY VALENTINES DAY

### Honor and Thankfulness

It is a good time of year to honor our leadership and thank those who take roles in our club and state to fill officer and chair rosters. As we think of family and friends with hearts and flowers – take a moment to thank a leader in music clubs who has influenced your musical life.

It is with gratitude that the WFMC says 'thank you' to our officers and chairs in the nine divisions of our federation for distributing and collecting information for awards and programs. Check our website for

applications and the NFMC website for awards and programs your students may be eligible for.

### Junior Division Awards

See the additional attachments to this newsletter for more information on Awards in the WFMC and NFMC.

A schedule of Federation Festivals is also attached, this document is on our website.

## WISCONSIN STATE FESTIVAL COMPETITION

The annual state festival competition will be held on Saturday, May 19, 2018 at the University of Milwaukee, Peck School of the Arts. This day-long event is a tribute to the long hours that teachers and students commit to -- in order to excel in music performance. Good luck to one and all as the Federation Festivals take place across our state.

NFMC Conference information since the WFMC is hosting this event.

Donations for the State Festival Competition are being accepted at this time – please contact Sam Ecoff for information on sponsorship of awards 2018.
