Summer!

June 2017

## *Happy Summer!*

As we pause from a busy spring, including Graduation events and the end of a school year, we ease into our summer filled with music outdoors! I hope that you are able to

explore an outdoor venue near you that provides listening to music under the sun, or stars. Relax and Re-energize!

bringing this meeting to reality in our great state. As I've done this before – feel free to ask questions – it takes work but it is also an opportunity for us all to shine together in our talent filled state. Forward Wisconsin!
