November 2018

HAPPY THANKSGIVING!

Happy Thanksgiving to you with many wishes for a gathering of thankfulness with family and friends.

How grateful we are that music is part of our lives and that we are able to share our musical knowledge and experiences with others.

Thank you for your help in keeping our Junior, Collegiate and Senior Divisions growing, thriving, and a vital part of the WFMC!

Oh, Beautiful for Spacious Skies...

November – Parade of American Music – who will you honor, what music will you celebrate, who will you share your musical gifts with?

Take time to give thanks for all that music club members do for one another in our communities. Happy Thanksgiving.
