HAPPY FALL AND HAPPY HALLOWEEN

Another summer becomes a memory as the leaves fall, flowers fade, and the gardens harvest is gathered.

Clubs, students and teachers are working together to create another year of teaching, sharing, and caring about music! The WFMC strives to ensure that music remains a part of our school's curriculums. Remember too, that community awareness of changes in your school arts policies may need to be addressed with school boards to insure the continuation of programs.

It is with gratitude that I recognize many communities who are adding 'Music in the Park' and other public performance venues, as well as attendance at school music functions, in order to support music.

Support from music clubs is certainly welcomed, thank you for making a difference.
