Wisconsin is the Host State 2018!

by Heidi O Hong

Wisconsin will be hosting the NFMC Conference this coming June 19-23, 2018 in Milwaukee Wisconsin!

The upcoming *Music Clubs Magazine* and *Junior Keynotes Magazines* will have registration and hotel information on the Conference.

If you are planning on spending time at the conference hotel – call immediately to reserve your room. Yes, the conference hotel can sell out so book your room as soon as possible.

Attachment One

The first attachment is the registration information for you as a music club member. Whether you are volunteering for a few hours or a few days, register and enjoy the incredible music of the conference.

Musicians and presenters from our state will be featured – let us show our support of fellow members by attending and volunteering to serve at this meeting!

Attachment Two

The second attachment is the schedule of events of the conference – note the Wisconsin talent! Encourage members to attend and spend a day or two hearing about the NFMC, listening to outstanding music, being a part of the festival chorus (open to all singers!) visiting with fellow concerned members at meal events, and basically – enjoying being a part of Music Clubs nationwide!

Volunteers are Needed!

Volunteers from our state are needed in order to fill registration desk times, as well as other duties.

Contact Cathy Paquette as soon as possible in order to select a time to help during the NFMC Conference. The WFMC has a work sheet in sign-up Genius for us to track where and when volunteers are needed.

Lake Country Music Club

Robin Wohlfiel, President of Lake Country MC challenges our state senior clubs in helping club members attend in order to do volunteer work. Lake Country MC will be subsidizing conference registration costs for their members. Perhaps your club would also like to sponsor members to attend the conference, or help with hotel and/or travel expenses, in order to be a part of the NFMC Conference.
