

Wisconsin Federation of Music Clubs

SENIOR CLUB PROGRAMMING GRANT

APPLICATION

This completed application must be returned to the State Chairman no later than September 15, 2021.

The \$300 Senior Club Grant is a grant made annually by the WFMC state board to Federated Senior Clubs who hold regular meetings and who wish to sponsor a musical program. Each WFMC Senior Club may submit one application per year. An explanation of how the money is to be used to benefit the club's members and/or the community at large is required in the application. Applications are reviewed by a panel of members of the WFMC state board, and decisions will be announced as soon as possible after the receipt of grant applications. The grant check will be made payable to the Senior Club.

Grant money may be used to cover speaker or performer fees, transportation, meals, and accommodations for speakers/performers, and costs to advertise programs.

While not required, Senior Clubs are encouraged to submit pictures, programs, and other information from programs sponsored through grants to the Federation State Board.
